

Activity 4: Write a short story with a moral to it.

As Muslims we should try our absolute best to emulate the character of the prophet (s.a.w). The Quran and hadith have taught us all we need to know about having good character.

Think about the topics we have covered in Tasheelul-Akhaq and put your creative thinking cap on to come up with a short story, (no more than 2 sides) that has a character/s that demonstrate good akhaq, or a story that has a moral to it.

Use the stories in your Tasheel's as inspiration.

Our prophet (s.a.w) said:

“Indeed, the best amongst you is the one with the best character.”

(Sahih Bukhari)
